National Highway 275

There is one more good news!

National Highway 275 from Bangalore to Bantwal via Mysore and Coorg, has got new alignment and will pass just 500 meters away from Zuari Garden City. The highway, after reaching Srirangapattana from Bangalore will turn near Paschim Vahini and pass through our area near Hotel Heritage Shelters and will join Madikeri - Mysore Road after Hunsur in a totally new alignment.

This means, future travel to Bangalore or Coorg will become a breeze and property value at ZGC will move up. Also, being 500 meters away, noise decibels will be very low.

With warm regards,

Customer Relations
